CATA VINO  
MERCADO & WINE BAR

*Driven by our passion for all things from Spain—food, drink, music, and culture—we three friends realized a decade-long dream by opening La FERIA in 2013. Twelve years on, we're thrilled to continue sharing Spain's best foods and drinks with you here in Detroit. In fact, it is this complement of pairing great food with great drink that compelled us to expand our offerings in 2018 through Cata VINO, our adjacent wine bar and mercado. We're excited to offer you a larger selection of Spanish and international wines, sherries, craft cocktails, seafood conserva, and more.*

*Our carry-out offerings include To-Go Sangria jars, our irresistible Almogrote in retail packets, and cured meats, cheeses, speciality sweets and products from Spain. Don't leave without your bag of gourmet goodies!!! Moreover, we are from Detroit and believe in supporting fellow Detroiters. We deliberately source as many products and services as we can locally, believing that we will prosper only when we ALL prosper.*
